Departments and Services Provided

Educational Service Unit #13 (ESU #13) provides a variety of high quality services to 21 school districts in Nebraska's Panhandle. The central office of ESU #13 is located in Scottsbluff with two satellite offices located in Sidney and Chadron. ESU #13 is staffed by a group of over 80 highly qualified professionals and support staff dedicated to meeting the diverse needs of member school districts. This brochure contains information regarding the services available to school districts through ESU #13, a brief description of the services, and contact information for the Administration and Director responsible for coordinating those services.
